Proposal Narrative Prompt

In 500 words, please describe the research that you will be doing while abroad. Please include:

- 1) Your research question
- 2) Methods
- 3) How you developed this research project at UVA, including details about UVA faculty input into the project
- 4) What preparations you have made for this project (courses taken, theories studied)
- 5) Who you will be working with overseas (i.e. independent research, working with a NGO; working with a scholar at a foreign university; collaborating with a community group)
- 6) How this impacts your plans for the future.
- 7) Who might be interested in your work after it is done? In what form would they like it to be shared?
